The Tale of the Dressmaker and the Prince

Once upon a time, there lived an Italian prince named Georgio Di Leone. He was a stressed-out prince...and a very protective one. So, when his little sister announces she's getting married, he flies--first-class, of course--to the enchanted kingdom of New York City, where he meets Renata Pavoni, a wedding-dress maker who is all vintage pinup girl with twenty-first-century sex appeal.

Once they ride off together in his limousine, they indulge in some serious makeout action. But as things with her hot royal start to heat up, Renata wonders...can she find a "sexily ever after" with a real prince?
