Torn by political struggles and underground revolution, the Philippines are wide open to powermongers and would-be messiahs. Now the deadliest and most elusive terrorist-bomber in the world stalks its crowded streets, plotting an act that will shake the country to its core.

Working under government cover, Mack Bolan has to infiltrate the terrorist network, find the bomber, then break him. Bolan is thrown headlong into the fire - from an unthinkable airport massacre to the steamy jungle where the heart of terrorism beats relentlessly.

In a country where white-hot violence has become almost a way of life, the Executioner is about to cause some scorching heat of his own.
